Helping Districts Reach New Heights in Multilingual Education Leadership

Leadership Development Catalog 2022

Language Story Facilitation

A facilitated interactive group activity where participants explore their own experiences with learning language and they develop understanding and empathy by hearing the stories of others. This helps pave the way to implementing or improving a bilingual/ESL program.

Sessions are typically 60-120 minutes, but are customized for you.

Presentations / Keynotes

Topics include, but are not limited to:

- Language Is More Than What I Speak (Language, Names, and Identity)
- One Team: Systemic Alignment for Bilingual/ESL
- Why Dual Language? ¿Por qué no?
- Dual Language For All? Costs and Benefits of Expanding Access

Session length is typically 45 minutes, but is flexible.

Name Story Facilitation

This is similar to the Language Stories activity, except participants talk and learn about names instead. This session makes deep connections among participants and leads to much more culturally proficient treatment of names within your organization.

Sessions are typically 60-120 minutes, but are customized for you.

DL Leadership Workshop

An interactive session for current or aspiring Dual Language program leaders (campus or district administrators, teacher leaders, family members, trustees) regarding the fundamentals of equitable and effective Dual Language program implementation..

Session length is typically 3 or 6 hours.

Instructional Rounds

Learn to use Instructional Rounds to develop your team's shared understanding of high-quality instruction and action steps to improve teaching & learning at scale.. Includes facilitation of a book study of *Instructional Rounds in Education*; coordination and facilitation of Instructional Rounds; and on-going coaching.

Sessions are scheduled monthly for the course of a school year.

Multilingual Leadership Institute

A 30 hour comprehensive institute for current or aspiring multilingual leaders, consisting of 10 modules: exploring identity & language, bilingual program history, diversity of multilingual students, fostering a multilingual school culture, bilingual/ESL program types (2 parts), managing the bureaucracy, financial & human resources, foundations for effective implementation, and focused multilingual leadership. Sessions can all be completed in one week or spread out over time.
