Helping Districts Reach New Heights

Professional Services Catalog 2022

Bilingual/ESL Program Review

Drawing on campus and district leadership experience, we provide a thorough third-party review of your multilingual program and recommend steps for improvement, using any or all of these frameworks with an equity lens:

- * Dual Language or Content-Based Language Instruction program implementation, using the TEA or CAL implementation rubrics
- * Systemic Alignment
- * Compliance with state law

Local Policy Development

Facilitation of a process for reviewing current local policy for bilingual/ESL programs (EHBE in Texas), developing a shared vision of what *could be* accomplished through policy, and navigating the political and bureaucratic systems to develop and adopt new policies that will strengthen and sustain effective multilingual education programs and practices

Research & Evaluation

We partner with experienced professional researchers to address the questions you need answered. Using rigorous qualitative and/or quantitative research methods, we will produce a customized written report and work with you to present it to your stakeholders.

Spanish/ English Translation

We will connect you with experienced professional translators for high quality, accurate English to Spanish or Spanish to English translation. Our translators specialize in curriculum translation, using academic standards-based vocabulary that is aligned with the Texas Essential Knowledge & Skills (TEKS) and other terms used by the Texas Education Agency (TEA).

We also conduct quality assurance reviews of translated materials.

Customized Services

Tell us what you need and we will identify the expertise you need and customize a plan for you.

Let us help you to do what you do best: Educate.
